

Fossil Creek Park – 5821 S Lemay Avenue

Acres 99.50

Audubon Certified

Fossil Creek Park is located along S. Lemay Avenue south of Harmony across from SouthRidge Golf Course. Fossil Creek Park is designed to serve as an escape from the urban environment while still remaining close to the city. The park has sports fields and playgrounds, as well as areas for quiet and solitude. Fossil Creek Community Park has its origins from the 1996 Building Community Choices ballot measure. When "Choice City" voters approved the measure, funding for the 99-acre park was available.

Fossil Creek Park is a kid's paradise with its Tar Pits Play Area, Adventure Island, and interactive water feature. Adults and kids alike can enjoy the park.
