Dear Community Member,

Fort Collins Police Services is now accepting applications for the 2017 Citizen Academy. By providing information about our agency and law enforcement in general, we hope to help Citizen Academy participants gain a better understanding of the police profession and our agency.

The requirements to attend the academy are minimal. Participants must possess high school level reading and writing skills. They must be able to sit for up to four hours in a classroom environment and must also be able and willing to participate in classes that are more physical in nature (i.e. firearms, defensive tactics, arrest control techniques, and building searches).

Another criterion considered is the citizen's role within the community and willingness to share the information gained during the academy with other citizens of the community. Since class size is limited, it is imperative for those selected to communicate the information to their associates.

The final criterion is the time commitment. The academy will be held on Thursday evenings, from 6:00 PM – 10:00 PM, beginning Thursday, August 17, 2017 and concluding November 9, 2017. There will also be one class held on a Saturday morning. The academy will be approximately 50 hours long. Citizens who are selected to attend are expected to make the commitment to attend all training sessions during the course of the academy.

We want the academy to be a positive experience for all participants, including the instructors. The academy setting is not the appropriate place to dispute policies or procedures of Fort Collins Police Services. The instructor is there to simply provide information and/or skills to the class.

The curriculum has not yet been finalized. However, the following is a list of topics we hope to cover during the academy:

Future of Law Enforcement  
Communications (Dispatch)  
Arrest Control Techniques  
K-9 Demonstration  
Investigation Techniques  
Building Searches  
Internal Affairs  
Constitutional Law  
Juvenile Procedures, Gangs  
Traffic Enforcement

Training of Police Officers  
Records Information  
Firearms  
Drug Interdiction  
Ethics  
Vehicle Stops  
Community Service Officers  
Search and Seizure  
DUI Information

Previous Citizen Police Academies have been extremely successful and we look forward to sponsoring another one. Officers and other employees have volunteered to instruct at the academy and are looking forward to the opportunity to enhance the community's knowledge about local law enforcement.

If you are interested in attending this academy, please complete the attached application and return it to my office no later than Friday July 28, 2017. Selected participants will be notified no later than August 11, 2017; all applicants will be notified of the results of the selection process. Due to the sensitive nature of the information provided at the academy, a background screening is necessary for all participants. If you have any questions, please contact me. If you need assistance with the application or a copy of the application please contact Stephanie Gundry at 970-416-2122 or Monica Gavin at 970-416-2959.

Sincerely,
