Such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value.

Section 202. Bonds Equally Secured. The covenants and agreements herein set forth to be performed on behalf of the Enterprise shall be for the equal benefit, protection and security of the Owners of any and all of the Outstanding Bonds and any Outstanding Parity Bonds heretofore or hereafter authorized and issued, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any of such securities over any other thereof, except as otherwise expressly provided in or pursuant to this Ordinance.

Section 203. Special Obligations. All of the Debt Service Requirements of the Bonds shall be payable and collectible solely out of the Net Pledged Revenues, which revenues are so pledged; the Owner or Owners of the Bonds may not look to any general or other fund for the payment of such Debt Service Requirements, except the herein designated special funds pledged therefor; the Bonds shall not constitute a debt or indebtedness within the meaning of any constitutional, charter, or statutory provision or limitation; and the Bonds shall not be considered or held to be general obligations of the Enterprise or the City but shall constitute special obligations of the Enterprise. No statutory or constitutional provision enacted after the issuance of the Bonds shall in any manner be construed as limiting or impairing the obligation of the Enterprise to comply with the provisions of this Ordinance or to pay the Debt Service Requirements of the Bonds as herein provided.

Section 204. Character of Agreement. None of the covenants, agreements, representations and warranties contained herein or in the Bonds shall ever impose or shall be construed as imposing any liability, obligation or charge against the Enterprise or the City

(except the special funds pledged therefor), or against its general credit, or as payable out of its general fund or out of any funds derived from taxation or out of any other revenue source (other than those pledged therefor).

Pursuant to the Enterprise Ordinances, the Enterprise is authorized to make covenants on behalf of the City and to bind the City to perform any obligation relating to the Electric Utility System other than any multiple-fiscal year direct or indirect debt or other financial obligation of the City without adequate present cash reserves pledged irrevocably and held for payment in future years. Notwithstanding anything in this Ordinance to the contrary, no such covenant of the Enterprise on behalf of the City that would constitute such a direct or indirect debt or other financial obligation of the City may be enforced against the City.

Section 205. No Pledge of Property. The payment of the Bonds is not secured by an encumbrance, mortgage or other pledge of property of the City or the Enterprise, except for the Net Pledged Revenues and other moneys pledged for the payment of the Debt Service Requirements of the Bonds. No property of the City or the Enterprise, subject to such exception, shall be liable to be forfeited or taken in payment of the Bonds.

Section 206. No Recourse Against Officers and Agents. Pursuant to § 11-57-209 of the Supplemental Act, if a member of the Board or the Council, or any officer or agent of the Enterprise or the City acts in good faith, no civil recourse shall be available against such Board member or Council member, officer, or agent for payment of the principal or interest on the Bonds. Such recourse shall not be available either directly or indirectly through the Board, the Enterprise, the Council or the City, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty, or otherwise. By the acceptance of the Bonds and as a part of the consideration of their sale or purchase, any person purchasing or selling such Bonds specifically waives any such recourse.

Section 207. Authorization of the Project. The Board, on behalf of the Enterprise, does hereby determine to undertake the Project, which is hereby authorized, and the proceeds of the Bonds shall be used therefor.

Section 208. Enterprise Status. The Board, on behalf of the Enterprise, hereby confirms its determination that the Electric Utility System shall be an “enterprise” for the purposes of Article X, Section 20 of the State Constitution. In particular, the Electric Utility System shall be owned by the City and shall have the power to issue revenue bonds in the manner and payable from the sources set forth in this Ordinance.

Section 209. Sale of Bonds. The Bonds shall be sold by negotiated sale to the Purchaser. Pursuant to the Supplemental Act, the Board hereby delegates to the President or the Treasurer the authority to execute the Purchase Contract submitted by the Purchaser, subject to the terms and limitations of this Ordinance.

Section 210. Official Statement. The printing, distribution and use of the Preliminary Official Statement is hereby ratified, approved and confirmed. The Preliminary Official Statement is hereby deemed by the Board to be final as of its date within the meaning of Rule 15c2-12(b)(1) of the U.S. Securities and Exchange Commission. The President and the Treasurer are each independently authorized to prepare or cause to be prepared, and the President is authorized and directed to approve, on behalf of the Enterprise, and execute a final Official Statement for use in connection with the offering and sale of the Bonds in substantially the form of the Preliminary Official Statement, but with such amendments, additions and deletions as are in accordance with the facts and not inconsistent herewith. The execution of a final Official Statement by the President shall be conclusively deemed to evidence the approval of the form and contents thereof by the Enterprise.

Section 211. Paying Agent Agreement, Continuing Disclosure Certificate and Filing Agent Agreement. The Board hereby approves the Paying Agent Agreement, the Continuing Disclosure Certificate and the Filing Agent Agreement in substantially the forms of such documents on file with the Secretary, with only such changes therein as are not inconsistent herewith. The President is hereby authorized and directed to execute the Paying Agent Agreement, the Continuing Disclosure Certificate and the Filing Agent Agreement and the Secretary is hereby authorized to attest and to affix the seal of the Enterprise to the Paying Agent Agreement, the Continuing Disclosure Certificate and the Filing Agent Agreement. Such documents are to be executed in substantially the forms hereinabove approved, provided that such documents may be completed, corrected or revised as deemed necessary by the parties thereto in order to carry out the purposes of this Ordinance. The execution of any document or instrument by the appropriate officers of the Enterprise herein authorized shall be conclusive evidence of the approval by the Enterprise of such document or instrument in accordance with the terms hereof. Notwithstanding the foregoing, if the President or Treasurer determine in the Sale Certificate that the 2010B Bonds shall not be issued, then the Filing Agent Agreement shall not be executed and delivered by the Enterprise.

Section 212. Other Related Documents. The President and the Secretary and all other appropriate officers or employees of the Enterprise are authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including without limiting the generality of the foregoing, executing, attesting, authenticating and delivering for and on behalf of the Enterprise any and all necessary documents, instruments or certificates and performing all other acts that they deem necessary or appropriate, including without limitation any financial guaranty agreement required by the provider of any insurance policy or reserve fund insurance policy related to the Bonds. The execution of any instrument by the appropriate officers of the Enterprise herein authorized shall be conclusive evidence of the approval by the Enterprise of such instrument in accordance with the terms hereof.

Section 213. Election to Apply Supplemental Public Securities Act to the Bonds; Delegation Section 11-57-204 of the Supplemental Act provides that a public entity, including the Enterprise, may elect in an act of issuance to apply all or any of the provisions of the Supplemental Act. The Board hereby elects to apply all of the Supplemental Act to the

Bonds. The Bonds shall be issued under the authority of the Supplemental Act and shall so recite as provided herein. Pursuant to Section 11-57-210 of the Supplemental Act, such recital shall be conclusive evidence of the validity and regularity of the issuance of the Bonds after their delivery for value.

Pursuant to Section 11-57-205 of the Supplemental Act, the Board hereby delegates to the President or the Treasurer the authority to independently sign a contract for the purchase of the Bonds or to accept a binding bid for the Bonds and to execute any agreement or agreements in connection therewith, and the Board hereby further delegates to each of the President or the Treasurer the authority to independently make any determination delegable pursuant to Section 11-57-205(1)(a-i) of the Supplemental Act, in relation to the Bonds, and to execute the Sale Certificate setting forth such determinations, subject to the following parameters and restrictions:

(i) The aggregate principal amount of the Bonds shall not exceed \$18,500,000.

(ii) The net effective interest rate on the Bonds shall not exceed 3.75% per annum after taking into account the BAB Credit on the 2010B Bonds.

(iii) The price at which the Series 2010A Bonds will be sold to the Purchaser shall not be less than 99% of the aggregate principal amount of the Series 2010A Bonds; and the price at which the Series 2010B Bonds will be sold to the Purchaser shall be not less than 99% of the aggregate principal amount of the Series 2010B Bonds.

(iv) The Series 2010B Bonds shall not be issued with more than a de minimis amount of premium as defined in the Recovery Act.

(v) The Series 2010A Bonds shall mature no later than December 1, 2022, and the Series 2010B Bonds shall mature no later than December 1, 2022.

The President or the Treasurer are hereby independently authorized to determine if obtaining municipal bond insurance for all or a portion of the Bonds is in the best interests of the Enterprise, and if so, to select an insurer to issue a municipal bond insurance policy, execute a commitment relating to the same and execute any related documents or agreements required by such commitment. The President or the Treasurer are hereby independently authorized to determine if obtaining a reserve fund insurance policy for all or a portion of the Bonds is in the best interests of the Enterprise, and if so, to select a surety provider to issue a reserve fund insurance policy and execute any related documents or agreements required by such commitment. The delegation set forth in this Section 213 shall be effective through and including December 31, 2010.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION AND ISSUANCE OF BONDS

Section 301. Bond Details.

A. General. The Bonds shall be issued in fully registered form (*i.e.* registered as to payment of both principal and interest), in denominations of \$5,000 or any integral multiple thereof. The Bonds shall be lettered “R” and shall be numbered separately from 1 upward. The Bonds shall be dated as of the date of their delivery. The Bonds shall mature on December 1, in the years and amounts and be subject to prior redemption as set forth herein and in the Sale Certificate. The Bonds shall bear interest from the most recent interest payment date to which interest has been paid, or if no interest has been paid, from their date until their respective maturities (or prior redemption) at the rates set forth in the Sale Certificate. No interest shall accrue on any Bonds owned by or on behalf of the Enterprise. Interest on the Bonds shall be calculated on the basis of a 360-day year of twelve 30-day months, payable semiannually on each June 1 and December 1, commencing on the date provided in the Sale Certificate.

B. Payment of Bonds. The principal of, and premium, if any, on each Bond shall be payable at the principal corporate trust office of the Paying Agent, or at such other office as the Paying Agent directs in writing to the Owners of the Bonds, or at the principal office of its successor, upon presentation and surrender of the Bond. Payment of interest on any Bond shall be made to the Owner thereof by the Paying Agent on or before each interest payment date, (or, if such interest payment date is not a Business Day, on or before the next succeeding Business Day), to such Owner at his or her address as it appears on the registration records kept by the Paying Agent on the Record Date; but any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Owner thereof at the close of business on the Record Date and shall be payable to the person who is the Owner thereof at the close of business on a Special Record Date for the payment of any such defaulted interest. Such Special Record Date and the date fixed for payment of such defaulted interest shall be fixed by the Paying Agent whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the Owners not less than ten days prior to the Special Record Date by first-class mail to each such Owner as shown on the Paying Agent’s registration books on a date selected by the Paying Agent, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the Owner of such Bond and the Paying Agent. If any Bond is not paid upon its presentation and surrender at or after its maturity or prior redemption, interest shall continue at its stated rate per annum until the principal thereof is paid in full. All such payments shall be made in lawful money of the United States of America.

Section 302. Execution of Bonds. The Bonds shall be executed in the name of the Enterprise by the manual or facsimile signature of the President, shall be sealed with the

corporate seal of the Enterprise or a facsimile thereof thereunto affixed, imprinted, engraved or otherwise reproduced and shall be attested by the manual or facsimile signature of the Secretary. Any Bond may be signed (manually or by facsimile), sealed or attested on behalf of the Enterprise by any person who, at the date of such act, shall hold the proper office, notwithstanding that at the date of authentication, issuance or delivery, such person may have ceased to hold such office. The President and the Secretary may adopt as and for his or her own facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears on any of the Bonds. Before the execution of any Bond, the President and the Secretary shall each file with the Colorado Secretary of State his or her manual signature certified by him or her under oath.

Section 303. Authentication Certificate. The authentication certificate upon the Bonds shall be substantially in the form and tenor provided in the form of the Bonds attached to this Ordinance as Exhibit A (with respect to the 2010A Bonds) and Exhibit B (with respect to the 2010B Bonds). No Bond shall be secured hereby or entitled to the benefit hereof, nor shall any Bond be valid or obligatory for any purpose, unless the certificate of authentication, substantially in such form, has been duly executed by the Paying Agent and such certificate of the Paying Agent upon any Bond shall be conclusive evidence that such Bond has been authenticated and delivered hereunder. The certificate of authentication shall be deemed to have been duly executed by it if manually signed by an authorized officer or employee of the Paying Agent, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds.

Section 304. Registration and Payment. The Paying Agent shall also act as registrar and transfer agent for the Bonds and shall keep or cause to be kept sufficient records for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Enterprise. Upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said records, Bonds as herein provided. Except as provided in Section 306 hereof, the Person in whose name any Bond shall be registered on the registration records kept by the Paying Agent shall be deemed and regarded as the absolute owner thereof for the purpose of making payment of the Debt Service Requirements thereof and for all other purposes; and payment of or on account of the Debt Service Requirements of any Bond shall be made only to the Owner thereof or his or her legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid. The foregoing provisions of this Section are subject to the provisions of Section 307 hereof.

Section 305. Transfer and Exchange. Any Bond may be transferred upon the records required to be kept pursuant to the provisions of Section 304 hereof by the Person in whose name it is registered, in person or by his, her or its duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of

transfer in a form approved by the Paying Agent, duly executed. Whenever any Bond or Bonds shall be surrendered for transfer, the Paying Agent shall authenticate and deliver a new Bond or Bonds for a like aggregate principal amount and of the same maturity and interest rate and of any authorized denominations. The Bonds may be exchanged by the Paying Agent for a like aggregate principal amount of Bonds of the same maturity and interest rate and of other authorized denominations. The execution by the Enterprise of any Bond of any denomination shall constitute full and due authorization of such denomination and the Paying Agent shall thereby be authorized to authenticate and deliver such Bond.

The Paying Agent shall not be required to transfer or exchange (a) any Bond subject to redemption during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day such notice is mailed, or (b) any Bond so selected for redemption in whole or in part after the mailing of notice calling such Bond or any portion thereof for prior redemption except the unredeemed portion of Bonds being redeemed in part.

The Paying Agent shall require the payment by any Owner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, and may charge a sum sufficient to pay the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the Enterprise or the Paying Agent incurred in connection therewith.

The foregoing provisions of this Section are subject to the provisions of Section 307 hereof.

Section 306. Bond Replacement. If any Bond shall have been lost, destroyed or wrongfully taken, the Enterprise shall provide for the replacement thereof in the manner set forth and upon receipt of the evidence, indemnity bond and reimbursement for expenses provided in Sec. 8-41 of the Code. Any such new Bond shall bear a number not previously assigned. The applicant for any such new Bond may be required to pay all expenses and charges of the Enterprise and of the Paying Agent in connection with the issuance of such Bond. All Bonds shall be held and owned upon the express condition that, to the extent permitted by law, the foregoing conditions are exclusive with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds, negotiable instruments or other securities.

Section 307. Book Entry.

A. Depository. Notwithstanding any contrary provision of this Ordinance, the Bonds initially shall be evidenced by one Bond for each maturity and interest rate in denominations equal to the aggregate principal amount of the Bonds. Such initially delivered Bonds shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company, the securities depository for the Bonds. The Bonds may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), C.R.S. and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository institution under clause (1) or this clause (2) of this paragraph A, or a determination by the Board that The Depository Trust Company or such successor or a new depository institution is no longer able to carry out its functions, and the designation by the Board of another depository institution acceptable to the Board and to the depository then holding the Bonds, which new depository must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), C.R.S. and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor new depository institution; or

(3) upon the resignation of The Depository Trust Company or a successor or new depository institution under clause (1) above or designation of a new depository institution pursuant to clause (2) above, or a determination of the Board that The Depository Trust Company or such successor or depository institution is no longer able to carry out its functions, and the failure by the Board, after reasonable investigation, to locate another depository institution under clause (2) to carry out such depository institution functions.

B. Successor. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) or (2) of paragraph A hereof, upon receipt of the outstanding Bonds by the Paying Agent together with written instructions for transfer satisfactory to the Paying Agent, a new Bond for each maturity and interest rate of the Bonds then outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of paragraph A hereof and the failure after reasonable investigation to located another qualified depository institution for the Bonds as provided in clause (3) of paragraph A hereof, and upon receipt of the outstanding Bonds by the Paying Agent, together with written instructions for transfer satisfactory to the Paying Agent, new Bonds shall be issued in authorized denominations as provided in and subject to the limitations of Sections 301, 304, and 305 hereof, registered in the names of such Persons, as are requested in such written transfer instructions; however, the Paying Agent shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. Absolute Owner. The Enterprise and the Paying Agent shall be entitled to treat the Owner of any Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the Enterprise and the Paying Agent shall have no responsibility for transmitting payments or notices to the beneficial owners of the Bonds held by The Depository Trust Company or any successor or new depository named pursuant to paragraph A hereof.

D. Payment. The Enterprise and the Paying Agent shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1) or (2) of paragraph A hereof in effectuating payment of the principal amount of the Bonds upon maturity or prior redemption by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

E. Redemption. Upon any partial redemption of any maturity and interest rate of the Bonds, Cede & Co. (or its successor) in its discretion may request the Enterprise to issue and authenticate a new Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment. The records of the Paying Agent shall govern in the case of any dispute as to the amount of any partial prepayment made to Cede & Co. (or its successor).

Section 308. Bond Cancellation. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Paying Agent for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled and destroyed by the Paying Agent.

Section 309. Negotiability. Subject to the provisions expressly stated or necessarily implied herein, the Bonds shall be fully negotiable and shall have all the qualities of negotiable paper, and the holder or holders thereof shall possess all rights enjoyed by the holders of negotiable instruments under the provisions of the Colorado Uniform Commercial Code.

Section 310. Resignation or Removal of Paying Agent. If the Paying Agent shall resign in accordance with the terms and provisions of the Paying Agent Agreement or if the Enterprise shall determine to remove the Paying Agent, the Enterprise may, upon notice mailed to each Owner of Bonds at the addresses last shown on the registration books of the Enterprise, accept the resignation of the Paying Agent or remove the Paying Agent, as the case may be, and appoint a successor paying agent.. Every such successor paying agent shall be a Commercial Bank. Any such resignation or removal shall become effective only on the appointment of a successor and acceptance by the successor of its duties hereunder and under the Paying Agent Agreement.

Section 311. Bond Form. Subject to the provisions of this Ordinance, each 2010A Bond shall be in substantially the form attached hereto as Exhibit A and each 2010B Bond shall be in substantially the form attached hereto as Exhibit B, with such omissions, insertions, endorsements and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Ordinance or the Sale Certificate, be consistent with this Ordinance or be necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto.

ARTICLE IV

REDEMPTION

Section 401. Optional Redemption. The Bonds shall be subject to redemption at the option of the Enterprise from any legally available funds on the dates, at the prices, and in the manner set forth in the Sale Certificate.

Section 402. Mandatory Sinking Fund Redemption. The Term Bonds, if any, shall be subject to mandatory sinking fund redemption at the times, in the amounts and at the prices provided in the Sale Certificate.

On or before the thirtieth day prior to each such sinking fund payment date, the Paying Agent shall proceed to call the Term Bonds, if any, as provided in the Sale Certificate (or any Term Bond or Term Bonds issued to replace such Term Bonds) for redemption from the sinking fund on the next December 1, and give notice of such call without further instruction or notice from the Enterprise.

At its option, to be exercised on or before the sixtieth day next preceding each such sinking fund Redemption Date, the Enterprise may (a) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory sinking fund redemption on such date in an aggregate principal amount desired or (b) receive a credit in respect of its sinking fund redemption obligation for any Term Bonds of the maturity and interest rate subject to mandatory sinking fund redemption on such date, which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Paying Agent and not theretofore applied as a credit against any sinking fund redemption obligation. Each Term Bond so delivered or previously redeemed will be credited by the Paying Agent at the principal amount thereof against the obligation of the Enterprise on such sinking fund date and such sinking fund obligation will be accordingly reduced. The Enterprise will on or before the sixtieth day next preceding each sinking fund Redemption Date furnish the Paying Agent with its certificate indicating whether or not and to what extent the provisions of (a) and (b) of the preceding sentence are to be availed with respect to such sinking fund payment. Failure of the Enterprise to deliver such certificate shall not affect the Paying Agent's duty to give notice of sinking fund redemption as provided in this paragraph.

Section 403. Partial Redemption. In the case of Bonds of a denomination larger than \$5,000, a portion of such Bond (\$5,000 or any integral multiple thereof) may be redeemed, in which case the Paying Agent shall, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof.

Section 404. Notice of Prior Redemption. Unless waived in writing by the Owner of a Bond to be redeemed, notice of redemption shall be given by the Paying Agent in the name of the Enterprise by mailing such notice at least thirty days and not more than sixty days prior to the redemption date, by first-class mail, postage prepaid, to the Owners of the Bonds to

be redeemed at their addresses as shown on the registration records. Notwithstanding the foregoing, the Paying Agent may provide notice of redemption by such alternative means as may be mutually agreed to between the Owner of the Bonds and the Paying Agent. Failure to give such notice to the Owner of any Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bonds. All such notices of redemption shall be dated and shall state: (i) the redemption date, (ii) the redemption price, (iii) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed, (iv) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and (v) if applicable, the place where such Bonds are to be surrendered for payment of the redemption price. Except as provided below, after such notice has been given in the manner provided herein, the Bond or Bonds called for redemption shall become due and payable on the designated redemption date, and upon presentation thereof the Enterprise shall pay the Bond or Bonds called for redemption. Installments of interest due on the redemption date shall be payable as provided in this Ordinance for the payment of interest. A certificate by the Paying Agent that a notice of redemption has been given as herein set forth shall be conclusive and receipt by the Owner of a notice of redemption shall not be a condition precedent to the redemption of that Bond.

Notwithstanding the provisions of this Section, any notice of redemption shall either (a) contain a statement that the redemption is conditioned upon the receipt by the Paying Agent on or before the redemption date of funds sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be cancelled by written notice to the Owners of the Bonds called for redemption in the same manner as the original redemption notice was given, or (b) be given only if funds sufficient to pay the redemption price of the Bonds so called for redemption are on deposit with the Paying Agent in the applicable fund or account.

All Bonds surrendered for redemption pursuant to the provisions of this Section shall be canceled and destroyed by the Paying Agent and shall not be reissued.

ARTICLE V

USE OF BOND PROCEEDS AND OTHER MONEYS

Section 501. Disposition of Bond Proceeds. When the Bonds have been duly executed by appropriate Enterprise officers and authenticated by the Paying Agent, the Enterprise shall cause the Bonds to be delivered to the Purchaser on receipt of the agreed purchase price. The Bonds shall be delivered in such denominations as the Purchaser shall direct, subject to the provisions of this Ordinance, and the Paying Agent shall initially register the Bonds in such name or names as the Purchaser shall direct. The net proceeds derived from the sale of the Bonds, upon the receipt thereof, shall be applied by the Enterprise in the following manner:

A. The net proceeds of the 2010A Bonds (including any original issue premium but net of underwriting and any original issue discount) shall be credited to the special and separate account hereby created and to be known as the “City of Fort Collins, Colorado, Electric Utility Enterprise, Tax-Exempt Revenue Bonds, Series 2010A Project Fund.”

Except as otherwise provided herein, the moneys in the 2010A Project Fund shall be used solely for the purpose of paying the Cost of the Project, for the purposes set forth in Section 502 herein and, in the event that a Reserve Fund is created in the Sale Certificate, to fund the Reserve Fund in accordance with the provisions of the Sale Certificate. The Enterprise shall not pay the Cost of the Project from the 2010A Project Fund until no funds remain in the 2010B Project Fund (other than those required to pay the costs referred to in Section 502 hereof).

B. The net proceeds of the 2010B Bonds (including any original issue premium but net of underwriting and any original issue discount) shall be credited to the special and separate account hereby created and to be known as the “City of Fort Collins, Colorado, Electric Utility Enterprise, Taxable Revenue Bonds (Direct Pay Build America Bonds) Series 2010B Project Fund.”

Except as otherwise provided herein, the moneys in the 2010B Project Fund shall be used solely for the purpose of paying the Cost of the Project and, in the event that a Reserve Fund is created in the Sale Certificate, to fund the Reserve Fund in accordance with the provisions of the Sale Certificate. The Enterprise agrees that not more than 2% of the proceeds of the 2010B Bonds will be used for the payment of “issuance costs” within the meaning of Section 54A(e)(4) of the Code and that “issuance costs” of the Bonds shall be allocated between the 2010B Bonds and the 2010A Bonds pro rata, based on the original principal amounts thereof.

The Purchaser and any subsequent Owners of any of the Bonds are not responsible for the application or disposal by the Enterprise or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

Section 502. Payment of Expenses. Moneys deposited in the 2010A Project Fund pursuant to Section 501 hereof may be used and paid out by the Enterprise to defray the administrative costs of the Project, including, without limitation, amounts to be paid to the Paying Agent, legal fees, accounting fees, financial advisory fees, printing costs and rating fees. The Enterprise may defray any such administrative costs from time to time as Operation and Maintenance Expenses to the extent the moneys deposited in the 2010A Project Fund pursuant to Section 501 hereof are insufficient therefor.

Section 503. Completion of Project. When the Project is completed in accordance with the relevant plans and specifications and all amounts due therefor, including all proper incidental expenses and all administrative costs of the Project referred to in Section 502 hereof, are paid, or for which full provision is made, the Treasurer, to the extent permitted by the Tax Compliance Certificate, shall cause all surplus moneys remaining in the Project Fund, if any, except for any moneys designated in the certificate to be retained to pay any unpaid accrued costs or contingent obligations, to be transferred as follows:

A. With respect to the 2010A Bonds, (i) to the 2010A Rebate Fund so as to enable the Enterprise to comply with Section 930 hereof, (b) if the Reserve Fund is created in the Sale Certificate, to the Reserve Fund to the extent set forth in the Sale Certificate, to such extent as shall not cause the amount in the Reserve Fund to exceed the Reserve Fund requirement, and (c) to the 2010A Bond Fund to the extent of any remaining balance of such moneys to be applied against the next principal payment or payments coming due on the 2010A Bonds. Nothing herein prevents the transfer from the 2010A Project Fund to the 2010A Bond Fund, at any time prior to the termination of the Project Fund, of any moneys which the Treasurer by certificate determines will not be necessary for the Project and will not be designated to be transferred to the Rebate Fund.

B. With respect to the 2010B Bonds, (a) to the 2010B Rebate Fund so as to enable the Enterprise to comply with the requirements of the Tax Compliance Certificate with respect to the 2010B Bonds, (b) if the Reserve Fund is created in the Sale Certificate, to the Reserve Fund to the extent set forth in the Sale Certificate, to such extent as shall not cause the amount in the Reserve Fund to exceed the Reserve Fund requirement, and (c) to the 2010B Bond Fund to the extent of any remaining balance of such moneys to be applied against the next principal payment or payments coming due on the 2010B Bonds. Nothing herein prevents the transfer from the 2010B Project Fund to the 2010B Bond Fund, at any time prior to the termination of the 2010B Project Fund, of any moneys which the Treasurer by certificate determines will not be necessary for the Project.

Section 504. Lien on Bond Proceeds. Until the proceeds of the Bonds deposited in the Project Fund are applied as herein provided, such Bond proceeds are subject to a lien thereon and pledge thereof for the benefit of the Owners of the Outstanding Bonds as provided in Section 601 hereof.

ARTICLE VI

ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 601. Pledge Securing Bonds. The Net Pledged Revenues and all moneys and securities paid or to be paid to or held or to be held in any fund or account under this Article or under Section 501 hereof are hereby pledged to secure the payment of the Debt Service Requirements of the Outstanding Bonds, subject to the right of the Enterprise to cause amounts to be withdrawn from the Project Fund to pay the Cost of the Project as provided herein and other than moneys and securities held in the Rebate Fund to the extent such amounts are required to be paid to the United States. The pledge of the Net Pledged Revenues to secure the payment of the Debt Service Requirements of the Outstanding Bonds and the Parity Bonds is on a parity with the pledge of the Net Pledged Revenues for, and lien thereon of any Parity Bonds hereafter issued in compliance with the provisions of Article VIII hereof.

The pledge of the Net Pledged Revenues shall be valid and binding from and after the date of the delivery of the Bonds. The creation, perfection, enforcement, and priority of the pledge of revenues to secure or pay the Bonds as provided herein shall be governed by § 11-57-208 of the Supplemental Act and this Ordinance. The revenues pledged for the payment of the Bonds, as received by or otherwise credited to the Enterprise, shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge on the revenues pledged for payment of the Bonds and the obligation to perform the contractual provisions made herein shall have priority over any or all other obligations and liabilities of the Enterprise except any Outstanding Parity Bonds hereafter authorized. The lien of the pledge of the Net Pledged Revenues as described in this section shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Enterprise (except as herein otherwise provided) irrespective of whether such parties have notice thereof.

Section 602. Light and Power Fund Deposits. So long as any of the Bonds shall be Outstanding, the entire Gross Pledged Revenues, upon their receipt from time to time by the Enterprise, shall be set aside and credited immediately to the special and separate account heretofore created by the City and known as the "Light and Power Fund." The BAB Credit on the 2010B Bonds, upon its receipt from time to time, shall also be credited immediately to the Light and Power Fund.

Section 603. Administration of Light and Power Fund. So long as any of the Bonds shall be Outstanding, the following payments shall be made from the Light and Power Fund, as provided in Sections 604 through 610 hereof.

Section 604. Operation and Maintenance Expenses. First, as a first charge on the Light and Power Fund, from time to time there shall continue to be held therein moneys sufficient to pay Operation and Maintenance Expenses, as they become due and payable, and

thereupon they shall be promptly paid. Any surplus remaining in the Light and Power Fund and not needed for Operation and Maintenance Expenses shall be used for other purposes of the Light and Power Fund as herein provided.

Section 605. Bond Fund Payments. Second, from any remaining Net Pledged Revenues, there shall be credited, concurrently with each other and with amounts required to meet the Debt Service Requirements with respect to any Outstanding Parity Bonds, to the special and separate accounts hereby created and to be known as the “City of Fort Collins, Colorado, Electric Utility Enterprise, Tax-Exempt Revenue Bonds, Series 2010A, Bond Fund,” and the “City of Fort Collins, Colorado, Electric Utility Enterprise, Taxable Revenue Bonds (Direct Pay Build America Bonds), Series 2010B, Bond Fund,” the following amounts:

A. **Interest Payments.** Monthly to the Bond Fund, commencing on the first day of the month immediately succeeding the delivery of any of the Bonds, or commencing on the first day of the month six months next prior to the first interest payment date of any of the Bonds, whichever commencement date is later, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the interest due and payable on the Outstanding Bonds on the next succeeding interest payment date.

B. **Principal Payments.** Monthly to the Bond Fund, commencing on the first day of the month immediately succeeding the delivery of any of the Bonds, or commencing on the first day of the month one year next prior to the first principal payment date of any of the Bonds, whichever commencement date is later, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the principal and redemption premium, if any, due and payable on the Outstanding Bonds on the next succeeding principal payment date.

If prior to any interest payment date or principal payment date, there has been accumulated in the Bond Fund the entire amount necessary to pay the next maturing installment of interest or principal, or both, the payment required in paragraph A or B (whichever is applicable) of this Section 605 may be appropriately reduced; but the required annual amounts again shall be so credited to such account commencing on such interest payment date or principal payment date.

The moneys credited to the Bond Fund shall be used to pay the Debt Service Requirements of the Bonds then Outstanding, as such Debt Service Requirements become due, except as provided in Sections 608 and 1201 hereof. No interest or principal shall be paid on any Bonds owned by or on behalf of the Enterprise.

Section 606. Reserve Fund. A Reserve Fund to secure the payment of the principal of and interest on the Bonds may be established pursuant to the Sale Certificate. The amount of money to be deposited or transferred to any such Reserve Fund and the use of moneys on deposit in any such Reserve Fund shall be as set forth in the Sale Certificate.

Section 607. Termination of Deposits. No payment need be made into the Bond Fund or the Reserve Fund, if any, if the amount in the Bond Fund and the amount in the Reserve Fund total a sum at least sufficient so that all Bonds Outstanding are deemed to have been paid pursuant to Section 1201 hereof, in which case moneys therein (taking into account the known minimum gain from any investment if such moneys in Permitted Investments from the time of any such investment or deposit shall be needed for such payment which will not be designated for transfer to the Rebate Fund) shall be used (together with any such gain from such investments) solely to pay the Debt Service Requirements of the Outstanding Bonds as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Net Pledged Revenues or otherwise pertaining to the Electric Utility System may be used to make required payments into the Rebate Fund or in any other lawful manner determined by the Board.

Section 608. Rebate Fund. After any payments required to be made pursuant to Sections 604 and 605 have been made, and after any required transfers have been made to the Reserve Fund, if any, there shall be deposited into the special and separate accounts hereby created and to be known as the “City of Fort Collins, Colorado, Electric Utility Enterprise, Tax-Exempt Revenue Bonds, Series 2010A, Rebate Fund” and “City of Fort Collins, Colorado, Electric Utility Enterprise, Taxable Revenue Bonds (Direct Pay Build America Bonds), Series 2010B, Rebate Fund” moneys in the amounts and at the times specified in the Tax Compliance Certificate so as to enable the Enterprise to comply with Section 930 hereof. Any such payments shall be made concurrently with any payments required to be made pursuant to any Parity Bond Ordinances with respect to any rebate funds established thereby. Amounts on deposit in the Rebate Fund shall not be subject to the lien and pledge of this Ordinance to the extent that such amounts are required to be paid to the United States Treasury. The Enterprise shall cause amounts on deposit in the Rebate Fund to be forwarded to the United States Treasury (at the address provided in the Tax Compliance Certificate) at the times and in the amounts set forth in the Tax Compliance Certificate.

If the moneys on deposit in the Rebate Fund are insufficient for the purposes thereof, the Enterprise shall transfer moneys in the amount of the insufficiency to the Rebate Fund from the Project Fund, the Bond Fund and the Reserve Fund, if any. Upon receipt by the Enterprise of an opinion of Bond Counsel to the effect that the amount in the Rebate Fund is in excess of the amount required to be contained therein, such excess may be transferred to the Light and Power Fund.

Section 609. Payment of Subordinate Securities. Subject to the provisions hereinabove in this Article, but subsequent to the payments required by Sections 604, 605 and 608 hereof and any required payments to the Reserve Fund, any moneys remaining in the Light and Power Fund may be used by the Enterprise for the payment of Debt Service Requirements of subordinate securities, including reasonable reserves for such subordinate securities and for rebate of amounts to the United States Treasury with respect to such subordinate securities.

Section 610. Use of Remaining Revenues. After the payments hereinabove required to be made by Sections 602 through 609 hereof have been made or provided for, any remaining Net Pledged Revenues in the Light and Power Fund shall be used, first, for any one or any combination of reasonably necessary purposes and in the Board's discretion relating to the operation, improvement or debt management of the Electric Utility System and, second, to the extent of any remaining surplus, for any one or any combination of lawful purposes as the Board may from time to time conclusively determine.

Section 611. Budget and Appropriation of Sums. The sums required to make the payments specified in this Article VI are hereby appropriated for said purpose. The sums required to make the payments specified in this Article VI shall be included in the budget and the annual, bi-annual, or supplemental appropriation ordinances or measures to be adopted or passed by the Council in each year while the Bonds, either as to principal or interest, are Outstanding and unpaid. No provisions of any constitution, Charter, statute, ordinance, resolution, or other order or measure enacted after the issuance of the Bonds shall in any manner be construed as limiting or impairing the obligations of the City and the Enterprise to keep and perform the covenants contained in this Ordinance so long as any of the Bonds remain Outstanding and unpaid.

ARTICLE VII

GENERAL ADMINISTRATION

Section 701. Administration of Accounts. The special funds and accounts designated in Articles V and VI hereof shall be administered as provided in this Article (but not any account under Section 1201 hereof) .

Section 702. Places and Times of Deposits. Each of the special funds or accounts created or adopted herein hereof shall be maintained by the Enterprise as a book account and kept separate kept separate and apart from all other funds or accounts of the Enterprise and the City as trust funds solely for the purposes herein designated therefor. For purposes of investment of moneys, nothing herein prevents the commingling of moneys accounted for in any two or more such funds or accounts pertaining to the Gross Pledged Revenue. Such funds or accounts shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes of such funds or accounts. Each periodic payment shall be credited to the proper fund or account not later than the date therefor herein designated, except that when any such date shall be not be a Business Day, then such payment shall be made on or before the next preceding Business Day.

Section 703. Investment of Moneys. Any moneys in the Light and Power Fund, Project Fund, Bond Fund, Reserve Fund, if any, and Rebate Fund and not needed for immediate use shall be invested or reinvested by the Treasurer in Permitted Investments. All such investments shall (a) either be subject to redemption at any time at a fixed value by the holder thereof at the option of such holder, or (b) mature not later than the estimated date or respective dates on which the proceeds are to be expended as estimated by the Treasurer at the time of such investment or reinvestment; provided that (1) Permitted Investments credited to the Reserve Fund shall not mature later than ten years from the date of such investment or reinvestment and (2) collateral securities of any Permitted Investments may have a maturity of more than five years from the date of purchase thereof. For the purpose of any such investment or reinvestment, Permitted Investments shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 704. Accounting for Investments. The Permitted Investments so purchased as an investment or reinvestment of moneys in any such account hereunder shall be deemed at all times to be a part of the account. Any interest or other gain from any investments and reinvestments of moneys accounted for in the Light and Power Fund, the Project Fund, the Bond Fund and the Rebate Fund shall be credited to such account, and any loss resulting from any such investments or reinvestments of moneys accounted for in the Light and Power Fund, the Project Fund, the Bond Fund, the Reserve Fund and the Rebate Fund shall be charged or debited to such Fund.

Any interest or other gain from any investment or reinvestment of moneys accounted for in the Reserve Fund (a) shall be credited to the Rebate Fund or the Bond Fund, at the discretion of the Treasurer, if the amount credited to the Reserve Fund immediately after such credit to the Rebate Fund or the Bond Fund is not less than the Reserve Fund requirement and (b) if the amount credited to the Reserve Fund is less than the Reserve Fund requirement, shall be credited to the Reserve Fund (up to the amount of the deficiency).

No loss or profit in any account on any investments or reinvestments in Permitted Investments shall be deemed to take place as a result of market fluctuations of the Permitted Investments prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided or for rebate purposes, as described in the Tax Compliance Certificate, Permitted Investments shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation); provided that any time or demand deposits shall be valued at the amounts deposited, in each case exclusive of any accrued interest or any other gain to the Enterprise until such gain is realized by the presentation of matured coupons for payment or otherwise.

Section 705. Redemption or Sale of Permitted Investments. The Treasurer shall present for redemption or sale on the prevailing market at the best price obtainable any Permitted Investments so purchased as an investment or reinvestment of moneys in the account whenever it shall be necessary in order to provide moneys to meet any withdrawal, payment or transfer from such account. Neither the Treasurer nor any other officer or employee of the Enterprise shall be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Ordinance.

Section 706. Character of Funds. The moneys in any account designated in Articles V and VI hereof shall consist either of lawful money of the United States or Permitted Investments, or both such money and such Permitted Investments. Moneys deposited in a demand or time deposit account in a bank or savings and loan association, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 707. Payment of Debt Service Requirements. The moneys credited to any fund or account designated in Article VI hereof for the payment of the Debt Service Requirements of any Bonds shall be used without requisition, voucher, warrant, further order or authority (other than is contained herein), or any other preliminaries, to pay promptly the Debt Service Requirements of any Bonds payable from such fund or account as such amounts are due, except to the extent any other moneys are available therefor.

ARTICLE VIII

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 801. Lien. The Bonds shall constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Net Pledged Revenues.

Section 802. Equality of Bonds. The Bonds and any Parity Bonds hereafter authorized to be issued and from time to time Outstanding are equitably and ratably secured by a lien on the Net Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Net Pledged Revenues regardless of the time or times of the issuance of the Bonds and any other such Parity Bonds, it being the intention of the Board that there shall be no priority among the Bonds and any such Parity Bonds regardless of the fact that they may be actually issued and delivered at different times, except that (a) moneys in the Project Fund, Bond Fund and Reserve Fund, if any, shall secure only the Bonds and the moneys in any project fund, bond fund, reserve fund or similar funds established for other Parity Bonds shall secure only such Parity Bonds; and (b) other Parity Bonds may have a lien on Net Pledged Revenues on a parity with the lien thereon of the Bonds even if no reserve fund is established for such Parity Bonds or a reserve fund is established but with a different requirement as to the amount of moneys (or the value of a reserve fund insurance policy with respect to such Parity Bonds) required to be on deposit therein or the manner in which such reserve fund is funded or the period of time over which such reserve fund is funded. In addition, in the event that additional BABs are issued, the Enterprise shall not be required to deposit the BAB Credit for any such future BABs in the Light and Power Fund.

Section 803. Issuance of Parity Bonds. Nothing herein prevents the issuance by the Enterprise or the City of additional securities payable from the Net Pledged Revenues and constituting a lien thereon on a parity with, but not prior nor superior to, the lien thereon of the Bonds; but before any such additional Parity Bonds, except as provided in Section 808, are authorized or actually issued all of the following conditions are satisfied:

A. **Absence of Payment Default.** At the time of the adoption of the Ordinance authorizing the issuance of the additional securities, the Enterprise shall not be in default in making any payments required by Article VI hereof or other Parity Bond Ordinances.

B. **Historic Earnings Test.** The Net Pledged Revenues for any 12 consecutive months out of the 18 months preceding the month in which such securities are to be issued are at least equal to the sum of 125% of the Combined Maximum Annual Debt Service Requirements of all outstanding indebtedness of the Enterprise during such 12 month period payable from the Net Pledged Revenues and such proposed indebtedness to be issued and the Combined Maximum Annual Debt Service Requirements on all indebtedness and other obligations payable from the Net Pledged Revenues.

C. Adjustment of Gross Pledged Revenues. In any computation under paragraph B of this Section, the amount of the Gross Pledged Revenues for the applicable period shall be decreased and may be increased by the amount of loss or gain conservatively estimated by an Independent Accountant, Independent Engineer or the Treasurer, as the case may be, which results from any changes, which became effective not less than 60 days prior to the last day of the period for which Gross Pledged Revenues are determined, in any schedule of fees, rates and other charges constituting Gross Pledged Revenues based on the number of users during the applicable period as if such modified schedule of fees, rates and other charges shall have been in effect during such entire time period. However, the Gross Pledged Revenues need not be decreased by the amount of any such estimated loss to the extent the Independent Accountant, the Independent Engineer or the Treasurer estimates the loss is temporary in nature or will be offset within a reasonable temporary period by an increase in revenues or a reduction in Operation and Maintenance Expenses not otherwise included in the calculations under this Section, and estimates any loss under this sentence will not at any time materially and adversely affect the Enterprise's apparent ability to comply with the rate maintenance covenant stated in Section 921 hereof without modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

D. Reduction of Annual Requirements. The respective annual Debt Service Requirements (including as such a requirement the amount of any prior redemption premiums due on any Redemption Date) shall be reduced to the extent such Debt Service Requirements are scheduled to be paid in each of the respective Fiscal Years with moneys held in trust or in escrow for that purpose by any Trust Bank, including the known minimum yield from any investment in Federal Securities and any bank deposits, including any certificate of deposit.

E. Consideration of Additional Expenses. In determining whether or not additional Parity Bonds may be issued as aforesaid, consideration shall be given to any probable increase (but not reduction) in the Operation and Maintenance Expenses of the Electric Utility System as estimated by the Treasurer that will result from the expenditure of the funds proposed to be derived from the issuance and sale of the additional securities; but the Treasurer may reduce any such increase in Operation and Maintenance Expenses by the amount of any increase in revenues or any reduction in Operation and Maintenance Expenses resulting from the Capital Improvements to which such expenditure relates and not otherwise included in the calculations under this Section, if the Treasurer also opines that any such increase in revenues or reduction in any increase in Operation and Maintenance Expenses will not materially and adversely affect the Enterprise's apparent ability to comply with the rate maintenance covenant stated in Section 921 hereof without modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

Section 804. Certification of Revenues. A written certificate or written opinion by the Treasurer under Section 803 B that such annual revenues, when adjusted as hereinabove provided in paragraphs C, D, and E of Section 803 hereof, are sufficient to pay such amounts, as provided in paragraph B of Section 803 hereof, shall be conclusively presumed to be accurate in

determining the right of the Enterprise to authorize, issue, sell and deliver additional securities on a parity with the Bonds.

Section 805. Subordinate Securities Permitted. Nothing herein prevents the Enterprise from issuing additional securities payable from the Net Pledged Revenues and having a lien thereon subordinate, inferior and junior to the lien thereon of the Bonds.

Section 806. Superior Securities Prohibited. Nothing herein permits the Enterprise or the City to issue additional securities payable from the Net Pledged Revenues and having a lien thereon prior and superior to the lien thereon of the Bonds.

Section 807. Use of Proceeds. The proceeds of any Parity Bonds or other securities payable from any Net Pledged Revenues shall be used only to finance Capital Improvements or to refund all or any portion of the Bonds, Parity Bonds, or other securities payable from Net Pledged Revenues, regardless of the priority or the lien of such securities on Net Pledged Revenues.

Section 808. Issuance of Refunding Securities. The Enterprise and the City may issue any refunding securities payable from Net Pledged Revenues to refund any Outstanding Bonds, Parity Bonds or any subordinate securities hereafter issued, with such details as the Board or the Council, as the case may be, may by ordinance provide so long as there is no impairment of any contractual obligation imposed upon the Enterprise or the City by any proceedings authorizing the issuance of any unrefunded portion of such Outstanding securities of any one or more issues; but so long as the Bonds, or any part thereof, are Outstanding, refunding securities payable from Net Pledged Revenues may be issued on a parity with the unrefunded Bonds only if:

A. **Prior Consent.** The Enterprise first receives the consent of the Owner or Owners of the unrefunded portion of the Bonds; or

B. **Requirements Not Increased.** The Combined Maximum Annual Debt Service Requirements for the Bonds and Parity Bonds Outstanding immediately after the issuance of the refunding securities is not greater than the Combined Maximum Annual Debt Service Requirements for all Bonds and Parity Bonds Outstanding immediately prior to the issuance of the refunding securities and the lien of any refunding Parity Bonds on the Net Pledged Revenues is not raised to a higher priority than the lien thereon of any securities thereby refunded; or

C. **Earnings Test.** The refunding securities are issued in compliance with Section 803B hereof.

ARTICLE IX

PROTECTIVE COVENANTS

Section 901. General. The Enterprise hereby covenants and agrees with the Owners of the Bonds and makes provisions which shall be a part of its contract with such Owners to the effect and with the purpose set forth in the following Sections of this Article.

Section 902. Performance of Duties. The Enterprise, acting by and through the Board or otherwise, shall faithfully and punctually perform, or cause to be performed, all duties with respect to the Gross Pledged Revenues and the Electric Utility System required by the Constitution and laws of the State, the Charter and the various Ordinances of the Enterprise, including, without limitation, the making and collection of reasonable and sufficient fees, rates and other charges for services rendered or furnished by or the use of the Electric Utility System, as herein provided, and the proper segregation of the proceeds of the Bonds and of any securities hereafter authorized and the Gross Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 903. Contractual Obligations. The Enterprise shall perform all contractual obligations undertaken by it under any agreements relating to the Bonds, the Gross Pledged Revenues, the Project, or the Electric Utility System, or any combination thereof, with any other Persons.

Section 904. Further Assurances. At any and all times the Enterprise shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be reasonably necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Gross Pledged Revenues and other moneys and accounts hereby pledged or assigned, or intended so to be, or which the Enterprise may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Ordinance and to comply with any instrument of the Enterprise amendatory thereof, or supplemental thereto. The Enterprise, acting by and through the Board, or otherwise, shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Gross Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every Owner of any Bond hereunder against all claims and demands of all Persons whomsoever.

Section 905. Conditions Precedent. Upon the date of issuance of the Bonds, all conditions, acts and things required by the Federal or State Constitution, the Charter, the Supplemental Public Securities Act, this Ordinance, or any other applicable law to exist, to have happened and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other obligations of

the Enterprise, shall not contravene any debt or other limitation prescribed by the State Constitution.

Section 906. Efficient Operation and Maintenance. The Enterprise shall at all times operate the Electric Utility System properly and in a sound and economical manner; and the Enterprise shall maintain, preserve and keep the same properly or cause the same so to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof in good repair, working order and condition, and shall from time to time make or cause to be made all necessary and proper repairs, replacements and renewals so that at all times the operation of the Electric Utility System may be properly and advantageously conducted. All salaries, fees, wages and other compensation paid by the Enterprise in connection with the maintenance, repair and operation of the Electric Utility System shall be reasonable and proper.

Section 907. Rules, Regulations and Other Details. The Enterprise, acting by and through the Board, shall establish and enforce reasonable rules and regulations governing the operation, use and services of the Electric Utility System. The Enterprise shall observe and perform all of the terms and conditions contained in this Ordinance, and shall comply with all valid acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to the Electric Utility System or to the Enterprise, except for any period during which the same are being contested in good faith by proper legal proceedings.

Section 908. Payment of Governmental Charges. The Enterprise shall pay or cause to be paid all taxes and assessments or other governmental charges, if any, lawfully levied or assessed upon or in respect of the Electric Utility System, or upon any part thereof, or upon any portion of the Gross Pledged Revenues, when the same shall become due, and shall duly observe and comply with all valid requirements of any governmental authority relative to the Electric Utility System or any part thereof, except for any period during which the same are being contested in good faith by proper legal proceedings. The Enterprise shall not create or suffer to be created any lien upon the Electric Utility System, or any part thereof, or upon the Gross Pledged Revenues, except the pledge and lien created by this Ordinance for the payment of the Debt Service Requirements of the Bonds and except as herein otherwise permitted. The Enterprise shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge, within 60 days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the Electric Utility System, or any part thereof, or the Gross Pledged Revenues; but nothing herein requires the Enterprise to pay or cause to be discharged or to make provision for any such tax, assessment, lien or charge, so long as the validity thereof is contested in good faith and by appropriate legal proceedings.

Section 909. Protection of Security. The Enterprise, the officers, agents and employees of the Enterprise, and the Board shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Debt Service Requirements of the Bonds, the Parity Bonds, and any other securities payable from the Net Pledged Revenues

according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any Owner of any Bond or other security payable from Net Pledged Revenues might be prejudicially and materially impaired or diminished.

Section 910. Prompt Payment of Bonds. The Enterprise shall promptly pay the Debt Service Requirements of the Bonds at the places, on the dates and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

Section 911. Use of Funds and Accounts. The funds and accounts described herein shall be used solely and only for the purposes described herein.

Section 912. Other Liens. Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the Electric Utility System, or any part thereof, or on or against the Gross Pledged Revenues on a parity with or superior to the lien thereon of the Bonds.

Section 913. Corporate Existence. The Enterprise shall maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the Enterprise and is obligated by law to operate and maintain the Electric Utility System and to fix and collect the Gross Pledged Revenues as herein provided without adversely and materially affecting at any time the privileges and rights of any Owner of any Outstanding Bond.

Section 914. Disposal of Electric Utility System Prohibited. Except for the use of the Electric Utility System and services pertaining thereto in the normal course of business, or as provided in Section 915 hereof, neither all nor a substantial part of the Electric Utility System shall be sold, leased, mortgaged, pledged, encumbered, alienated or otherwise disposed of, until all the Bonds have been paid in full, as to all Debt Service Requirements, or unless provision has been made therefor, or until the Bonds have otherwise been redeemed, including, without limitation, the termination of the pledge as herein authorized; and the City shall not dispose of its title to the Electric Utility System or to any useful part thereof, including any property necessary to the operation and use of the Electric Utility System and the lands and interests in lands comprising the sites of the Electric Utility System.

Section 915. Disposal of Unnecessary Property. The City at any time and from time to time may sell, exchange, lease or otherwise dispose of any property constituting a part of the Electric Utility System and not useful in the construction, reconstruction or operation thereof, or which shall cease to be necessary for the efficient operation of the Electric Utility System, or which shall have been replaced by other property of at least equal value. Any proceeds of any such sale, exchange, lease or other disposition received and not used to replace such property so sold or so exchanged or otherwise so disposed of, shall be deposited by the City in the Light and

Power Fund or into a special book account for the betterment, enlargement, extension, other improvement and equipment of the Electric Utility System, or any combination thereof, as the Board may determine, provided that any proceeds of any such lease received shall be deposited by the Enterprise as Gross Pledged Revenues in the Light and Power Fund.

Section 916. Competing System. So long as any of the Bonds are Outstanding, the City shall not grant any franchise or license to any competing facilities so that the Gross Pledged Revenues shall not be sufficient to satisfy the covenant in Section 921 hereof.

Section 917. Loss From Condemnation. If any part of the Electric Utility System is taken by the exercise of the power of eminent domain, the amount of any award received by the City as a result of such taking shall be paid into the Light and Power Fund or into a capital improvement account pertaining to the Electric Utility System for the purposes thereof, or, applied to the redemption of the Outstanding Bonds and any Outstanding Parity Bonds relating thereto, all as the Enterprise may determine.

Section 918. Employment of Management Engineers. If the Enterprise defaults in paying the Debt Service Requirements of the Bonds, the Parity Bonds, and any other securities payable from the Gross Pledged Revenues promptly as the same become due, or an Event of Default has occurred and is continuing, or if the Net Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Debt Service Requirements of the Outstanding Bonds, Parity Bonds, and any other securities (including all reserves therefor specified in the authorizing proceedings, including, without limitation, this Ordinance) payable from the Net Pledged Revenues in that Fiscal Year, the Enterprise shall retain a firm of competent management engineers skilled in the operation of such facilities to assist the management of the Electric Utility System so long as such default continues or so long as the Net Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 919. Budgets. The Council and officials of the City shall bi-annually and at such other times as may be provided by law prepare and adopt a budget pertaining to the Electric Utility System.

Section 920. Reasonable and Adequate Charges. While the Bonds remain Outstanding and unpaid, the fees, rates and other charges due to the City for the use of or otherwise pertaining to and services rendered by the Electric Utility System to the City, to its inhabitants and to all other users within and without the boundaries of the City shall be reasonable and just, taking into account and consideration public interests and needs, the cost and value of the Electric Utility System, the Operation and Maintenance Expenses thereof, and the amounts necessary to meet the Debt Service Requirements of all Bonds, the Parity Bonds, and any other securities payable from the Net Pledged Revenues, including, without limitation, reserves and any replacement accounts therefor.

Section 921. Adequacy and Applicability of Charges. There shall be charged against users of service pertaining to and users of the Electric Utility System, including the Enterprise, except as provided by Section 922 hereof, such fees, rates and other charges so that the Gross Pledged Revenues shall be adequate to meet the requirements of this and the preceding Sections hereof. Such charges pertaining to the Electric Utility System shall be at least sufficient so that the Gross Pledged Revenues annually are sufficient to pay in each Fiscal Year:

A. Operation and Maintenance Expenses. An amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year,

B. Principal and Interest. An amount equal to 125% of both the principal and interest on the Bonds and any Parity Bonds then Outstanding payable from the Net Pledged Revenues in that Fiscal Year (excluding the reserves therefor), and

C. Deficiencies. All sums, if any, due and owing to meet then existing deficiencies pertaining to any fund or account relating to the Gross Pledged Revenues or any securities payable therefrom.

For purposes of (B) above, “interest” on the 2010B Bonds shall be treated as the gross amount of interest to be paid by the Enterprise on the 2010B Bonds in each Fiscal Year, and the BAB Credit attributable to the 2010B Bonds shall not be subtracted from the Debt Service Requirements of the 2010B Bonds.

For purposes of (B) above, when computing the Debt Service Requirements for any issue of securities bearing interest at a variable, adjustable, convertible or other similar rate that is not fixed for the entire term thereof, it shall be assumed that any such securities outstanding at the time of the computation will bear interest during any period at the highest of (a) the actual rate on the date of calculation, or if the securities are not yet outstanding, the initial rate (if established and binding), (b) if the securities have been outstanding for at least twelve (12) months, the average rate over the twelve (12) months immediately preceding the date of calculation, and (c) (i) if interest on the securities is excludable from gross income under the applicable provisions of the Code, the average of the SIFMA Index during the preceding twelve (12) months plus one hundred (100) basis points, or (ii) if interest is not so excludable, the interest rate on direct Federal Securities with comparable maturities plus fifty (50) basis points. It shall further be assumed that any such securities which may be tendered prior to maturity for purchase at the option of the Owner thereof will mature on their stated maturity dates or mandatory redemption dates. The Enterprise or the City shall be permitted to treat any fixed rate payable on an interest rate exchange agreement or “swap” contract as the interest rate on any such issue of securities if the counterparty to such agreement or contract has unconditionally agreed to pay all interest due on such securities.

Section 922. Limitations Upon Free Service. No free service or facilities shall be furnished by the Electric Utility System, except that the City shall not be required to pay for any use by the City of any facilities of the Electric Utility System for municipal purposes. If the

City chooses, in its sole discretion, to pay for its use of the Electric Utility System, all the income so derived from the City shall be deemed to be income derived from the operation of the Electric Utility System, to be used and to be accounted for in the same manner as any other income derived from the operation of the Electric Utility System.

Section 923. Levy of Charges. The Enterprise shall forthwith and in any event prior to the delivery of any of the Bonds, fix, establish and levy the fees, rates and other charges which are required by Section 921 of this Ordinance, if such action is necessary therefor. No reduction in any initial or existing rate schedule for the Electric Utility System may be made unless:

A. **Proper Application.** The Enterprise has fully complied with the provisions of Article VI of this Ordinance for at least the full Fiscal Year immediately preceding such reduction of the initial or any other existing rate schedule; and

B. **Sufficient Revenues.** The audit required by the Independent Accountant by Section 927 hereof for the full Fiscal Year immediately preceding such reduction discloses that the estimated revenues resulting from the proposed rate schedule for the Electric Utility System, after the schedule's proposed reduction, shall be at least sufficient to produce the amounts required by Section 921 hereof.

Section 924. Collection of Charges. The City shall cause all fees, rates and other charges pertaining to the Electric Utility System to be collected as soon as is reasonable, shall reasonably prescribe and enforce rules and regulations or impose contractual obligations for the payment of such charges, and for the use of the Electric Utility System, and shall provide methods of collection and penalties, to the end that the Gross Pledged Revenues shall be adequate to meet the requirements of this Ordinance and any other Ordinance supplemental thereto.

Section 925. Procedure for Collecting Charges. All bills for electric distribution services and all other services or facilities furnished or served by or through the Electric Utility System shall be rendered to customers on a regularly established basis. The fees, rates and other charges due shall be collected in a lawful manner, including, without limitation, discontinuance of service.

Section 926. Maintenance of Records. So long as any of the Bonds and any Parity Bonds payable from the Gross Pledged Revenues remain Outstanding, proper books of record and account shall be kept by the Enterprise, separate and apart from all other records and accounts.

Section 927. Audits Required. The City, annually following the close of each Fiscal Year, shall order an audit for the Fiscal Year of the books and accounts pertaining to the Electric Utility System to be made forthwith by an Independent Accountant and order an audit report showing the receipts and disbursements for each fund or account pertaining to the Electric

Utility System and the Gross Pledged Revenues. All expenses incurred in the making of the audits and reports required by this subsection may be regarded and paid as Operating Expense.

Section 928. Accounting Principles. Electric Utility System records and accounts, and audits thereof, shall be currently kept and made, as nearly as practicable, in accordance with the then generally accepted accounting principles, methods and terminology followed and construed for utility operations comparable to the Electric Utility System, except as may be otherwise provided herein or required by applicable law or regulation or by contractual obligation existing on the effective date of this Ordinance.

Section 929. Insurance and Reconstruction. Except to the extent of any self-insurance, the City shall at all times maintain with responsible insurers fire and extended coverage insurance, worker's compensation insurance, public liability insurance and all such other insurance as is customarily maintained with respect to utilities of like character against loss of or damage to the Electric Utility System and against loss of revenues and against public and other liability to the extent reasonably necessary to protect the interests of the City, the Enterprise and of each Owner of a Bond. If any useful part of the Electric Utility System shall be damaged or destroyed, the City shall, as expeditiously as may be possible, commence and diligently proceed with the repair or replacement of the damaged property so as to restore the same to use. The proceeds of any such insurance shall be payable to the City and (except for proceeds of any use and occupancy insurance) shall be applied to the necessary costs involved in such repair and replacement and to the extent not so applied shall (together with the proceeds of any such use and occupancy insurance) be deposited in the Light and Power Fund by the City as revenues derived from the operation of the Electric Utility System. If the costs of such repair and replacement of the damaged property exceed the proceeds of such insurance available for the payment of the same, moneys in the Light and Power Fund shall be used to the extent necessary for such purposes, as permitted by Section 610 hereof.

Section 930. Federal Income Tax Exemption.

A. The City and the Enterprise covenant for the benefit of the Owners of the 2010A Bonds that it will not take any action or omit to take any action with respect to the 2010A Bonds, the proceeds thereof, any other funds of the City or the Enterprise or any facilities financed with the proceeds of the 2010A Bonds if such action or omission (i) would cause the interest on the 2010A Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code, (ii) would cause interest on the 2010A Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code, or (iii) would cause interest on the 2010A Bonds to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present State law. In furtherance of this covenant, the City and the Enterprise agree to comply with the procedures set forth in the Tax Compliance Certificate with respect to the 2010A Bonds. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the 2010A Bonds until the date on which all obligations of the City and the Enterprise in fulfilling the above

covenant under the Code and Colorado law have been met.

B. The City and the Enterprise hereby make an irrevocable election that Section 54AA of the Code shall apply to the 2010B Bonds and that subsection (g) of Section 54AA will also apply to the 2010B Bonds so that the Enterprise will receive the BAB Credit. None of the Owners of the 2010B Bonds shall be entitled to any credit under Section 54AA of the Code. The City and the Enterprise covenant that it will not take any action or omit to take any action with respect to the 2010B Bonds, the proceeds thereof, any other funds of the City or the Enterprise or the Project if such action or omission would cause the Enterprise to not be entitled to the BAB Credit with respect to the 2010B Bonds. In furtherance of this covenant, the City and the Enterprise agree to comply with the procedures set forth in the Tax Compliance Certificate with respect to the 2010B Bonds. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the 2010B Bonds until the date on which all obligations of the City and the Enterprise in fulfilling the above covenant have been met. The Enterprise shall timely file or cause to be timely filed any document required by the Internal Revenue Service to be filed in order to claim the BAB Credit.

Section 931. Continuing Disclosure. The Enterprise shall comply with the provisions of the Continuing Disclosure Certificate. Any failure by the Enterprise to perform in accordance with this Section shall not constitute an Event of Default under this Ordinance, and the rights and remedies provided by this Ordinance upon the occurrence of an Event of Default shall not apply to any such failure. The Paying Agent shall not have any power or duty to enforce this Section. No Owner of a Bond shall be entitled to damages for the Enterprise's non-compliance with its obligations under this Section; however, the Owners of the Bonds may enforce specific performance of the obligations contained in this Section by any judicial proceeding available.

ARTICLE X

PRIVILEGES, RIGHTS AND REMEDIES

Section 1001. Owners' Remedies. Each Owner of any Bond shall be entitled to all of the privileges, rights and remedies provided or permitted in this Ordinance, and as otherwise provided or permitted by law or in equity or by any statutes, except as provided in Sections 202 through 206 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Gross Pledged Revenues and the proceeds of the Bonds.

Section 1002. Right to Enforce Payment. Nothing in this Article affects or impairs the right of any Owner of any Bond to enforce the payment of the Debt Service Requirements due in connection with his or her Bond or the obligation of the Enterprise to pay the Debt Service Requirements of each Bond to the Owner thereof at the time and the place expressed in the Bond.

Section 1003. Events of Default. Each of the following events is hereby declared an "Event of Default:"

A. Nonpayment of Principal. Payment of the principal of any of the Bonds is not made when the same becomes due and payable, either at maturity or by proceedings for prior redemption, or otherwise;

B. Nonpayment of Interest. Payment of any installment of interest on any of the Bonds is not made when the same becomes due and payable;

C. Cross Defaults. The occurrence and continuance of an "event of default," as defined in any Parity Bond Ordinance;

D. Failure to Reconstruct. The Enterprise unreasonably delays or fails to carry out with reasonable dispatch the reconstruction of any part of the Electric Utility System which is destroyed or damaged and is not promptly repaired or replaced (whether such failure promptly to repair the same is due to impracticability of such repair or replacement or is due to a lack of moneys therefor or for any other reason), but it shall not be an Event of Default if such reconstruction is not essential to the efficient operation of the Electric Utility System;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the City appointing a receiver or receivers for the Electric Utility System or for the Gross Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bonds, or if an order or decree having been entered without the consent or acquiescence of the City is not vacated or discharged or stayed on appeal within 60 days after entry; and

F. Default of Any Other Provision. The City or the Enterprise defaults in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this Ordinance on its part to be performed (other than Section 931 hereof), and such default continues for 60 days after written notice specifying such default and requiring the same to be remedied is given to the City and Enterprise specifying the failure and requiring that it be remedied, which notice may be given by the Paying Agent in its reasonable discretion and shall be given by the Paying Agent at the written request of the Owners of not less than 25 percent in aggregate principal amount of Bonds then Outstanding. The Paying Agent shall not be required to take notice or be deemed to have notice of any such defaults under the Bonds or this Ordinance, except for defaults arising from failure to make any required payments to the Paying Agent or defaults of which the Paying Agent has actual knowledge, unless the Paying Agent is specifically notified in writing of such default by the City, Enterprise, or the Owners of twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding.

Section 1004. Remedies for Defaults. Upon the happening and continuance of any Event of Default, the Owner or Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, including, without limitation, a trustee or trustees therefor, may proceed against the City and the Enterprise and its agents, officers and employees to protect and to enforce the rights of any Owner of Bonds under this Ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as such Owner or Owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any Owner of any Bond, or to require the City or the Enterprise to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of the Bonds.

Section 1005. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of such Owners hereunder, the consent to any such appointment being hereby expressly granted by the City and the Enterprise, may enter and may take possession of the Electric Utility System, may operate and maintain the same, may prescribe fees, rates and other charges, and may collect, receive and apply all Gross Pledged Revenues arising after the appointment of such receiver in the same manner as the City itself might do.

Section 1006. Rights and Privileges Cumulative. The failure of any Owner of any Outstanding Bond to proceed in any manner herein provided shall not relieve the Enterprise, or any of its officers, agents or employees of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any such Owner (or trustee thereof) is in addition and is cumulative to any other right or privilege, and the exercise of any

right or privilege by or on behalf of any Owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1007. Duties upon Defaults. Upon the happening of any Event of Default, the Enterprise shall do and perform all proper acts on behalf of and for the Owners of Bonds to protect and to preserve the security created for the payment of the Bonds and to insure the payment of the Debt Service Requirements promptly as the same become due. While any Event of Default exists, except to the extent it may be unlawful to do so, all Gross Pledged Revenues shall be paid into the Bond Fund and into bond or similar funds established for any Parity Bonds then Outstanding, pro rata based upon the aggregate principal amount of the Bonds and Parity Bonds then Outstanding. If the Enterprise fails or refuses to proceed as in this Section provided, the Owner or Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the Owners of the Bonds as hereinabove provided, and to that end any such Owners of the Outstanding Bonds shall be subrogated to all rights of the Enterprise under any agreement, lease or other contract involving the Electric Utility System or the Gross Pledged Revenues entered into prior to the effective date of this Ordinance or thereafter while any of the Bonds are Outstanding.

ARTICLE XI

AMENDMENT OF ORDINANCE

Section 1101. Amendment of Ordinance Not Requiring Consent of Bond Owners. The Enterprise may, without the consent of or notice to the Owners of the Bonds, adopt such ordinances supplemental hereto (which amendments shall thereafter form a part hereof) for any one or more or all of the following purposes:

A. to add to the covenants and agreements of the Enterprise or the City in this Ordinance contained other covenants and agreements thereafter to be observed;

B. to subject to the covenants and agreements of the Enterprise and the City in this Ordinance additional Electric Utility System revenues, to be defined and treated as Gross Pledged Revenues, for the purpose of providing additional security for the Bonds and any Parity Bonds;

C. in connection with the provision of a reserve fund insurance policy subsequent to the issuance of the Bonds;

D. to provide for the appointment of a new Paying Agent;

E. to make such provisions for the purpose of curing any ambiguity or of curing or correcting any formal defect or omission in this Ordinance, or in regard to questions arising under this Ordinance, as the Enterprise may deem necessary or desirable, and which shall not materially adversely affect the interests of the Owners of the Bonds;

F. in order to preserve or protect the excludability from gross income for federal income tax purposes of the interest allocable to the 2010A Bonds;

G. to maintain the status of the 2010B Bonds as qualified Build America Bonds under Section 54AA of the Tax Code;

H. To designate a trustee for the owners of the Bonds, to transfer custody and control of the Gross Pledged Revenues to such trustee, and to provide for the rights and obligations of such trustee;

I. To cause this ordinance to comply with the Trust Indenture Act of 1939, as amended from time to time; or

J. To effect any such other changes hereto which do not materially adversely affect the interests of the Owners of the Bonds.

Section 1102. Amendment of Ordinance Requiring Consent of Bond Owners. Exclusive of the amendatory ordinances covered by Section 1101 hereof, this Ordinance may be

amended or modified by ordinances or other instruments duly adopted by the Enterprise, without receipt by it or any additional consideration, but with the written consent of the Owners of sixty-six percent (66%) in aggregate principal amount of the Bonds then Outstanding at the time of the adoption of such amendatory ordinance, provided that no such amendatory resolution shall permit:

A. Changing Payment. A change in the maturity or in the terms of redemption of the principal of any Outstanding Bond or any interest thereon; or

B. Reducing Return. A reduction in the principal amount of any Bond or the rate of interest thereon without the consent of the Owner of the Bond; or

C. Prior Lien. The creation of a lien upon or a pledge of revenues ranking prior to the lien or to the pledge created by this Ordinance, except as otherwise permitted by this Ordinance; or

D. Modifying Amendment Terms. A reduction of the principal amount or percentages of Bonds, or any modification otherwise affecting the description of Bonds, otherwise changing the consent of the Owners of Bonds, which may be required herein for any amendment hereto; or

E. Priorities Among Bonds or Parity Lien Bonds. The establishment of priorities as among Bonds issued and Outstanding under the provisions of this Ordinance or as among the Bonds and other Parity Lien Bonds; or

F. Partial Modification. Any modifications otherwise materially and prejudicially affecting the rights or privileges of the Owners of less than all of the Bonds then Outstanding.

Whenever the Board proposes to amend or modify this Ordinance under the provisions of this Section 1102, it shall cause notice of the proposed amendment to be mailed to the Owners of all Outstanding Bonds at their addresses as the same last appear on the registration records maintained by the Paying Agent. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory Ordinance is on file with the Secretary for public inspection.

Section 1103. Time for and Consent to Amendment. Whenever at any time within one (1) year from the date of the completion of the notice required to be given by Section 1102 hereof there shall be filed in the office of the Secretary an instrument or instruments executed by the Owners of at least sixty-six percent (66%) in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory ordinance or other instrument described in such notice and shall specifically consent to and approve the adoption of such ordinance or other instrument, thereupon, but not otherwise, the Board may adopt such amendatory ordinance or instrument and such ordinance or instrument shall become effective. If the Owners of at least sixty-six percent (66%) in aggregate principal

amount of the Bonds then Outstanding, at the time of the adoption of such amendatory ordinance or instrument, or the predecessors in title of such Owners, shall have consented to and approved the adoption thereof as herein provided, no Owner of any Bond whether or not such Owner shall have consented to or shall have revoked any consent as herein provided shall have any right or interest to object to the adoption of such amendatory ordinance or other instrument or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin or restrain the City from taking any action pursuant to the provisions thereof. Any consent given by the Owner of a Bond pursuant to the provisions thereof shall be irrevocable for a period of six (6) months from the date of the completion of the notice above provided for and shall be conclusive and binding upon all future Owners of the same Bond during such period. Such consent may be revoked at any time after six (6) months from the completion of such notice, by the Owner who gave such consent or by a successor in title, by filing notice of such revocation with the Secretary, but such revocation shall not be effective if the Owners of sixty-six percent (66%) in aggregate principal amount of the Bonds Outstanding as herein provided, prior to the attempted revocation, shall have consented to and approved the amendatory instrument referred to in such revocation.

Section 1104. Unanimous Consent. Notwithstanding anything in the foregoing provisions contained, the terms and the provisions of this Ordinance, or of any ordinance or instrument amendatory thereof, and the rights and the obligations of the City, the Enterprise and the Owners of the Bonds may be modified or amended in any respect upon the adoption by the City and upon the filing with the Secretary of an instrument to that effect and with the consent of the Owners of all the then Outstanding Bonds, such consent to be given in the manner provided herein Section 1103 hereof; and no notice to Owners of Bonds shall be required as provided in Section 1102 hereof, nor shall the time of consent be limited except as may be provided in such consent.

Section 1105. Exclusion of Bonds. At the time of any consent or of other action taken hereunder the Enterprise shall furnish to the Secretary a certificate, upon which the Secretary may rely, describing all Bonds to be excluded for the purpose of consent or of other action or any calculation of Outstanding Bonds provided for hereunder, and, with respect to such excluded Bonds, the Enterprise shall not be entitled or required with respect to such Bonds to give or obtain any consent or to take any other action provided for hereunder.

Section 1106. Notation on Bonds. Any of the Bonds delivered after the effective date of any action taken as provided in Section 1102, or Bonds Outstanding at the effective date of such action, may bear a notation thereon by endorsement or otherwise in form approved by the Board as to such action; and if any such Bonds so executed and delivered after such date does not bear such notation, then upon demand of the Owner of any Bond Outstanding at such effective date and upon presentation of his Bond for such purpose at the principal office of the City, suitable notation shall be made on such Bond by the Secretary as to any such action. If the Board so determines, new Bonds so modified as in the opinion of the Board to conform to such action shall be prepared, executed and delivered; and upon demand of the Owner of any

Bond then Outstanding, shall be exchanged without cost to such Owner for Bonds then Outstanding upon surrender of such Outstanding Bonds.

Section 1107. Proof of Instruments and Bonds. The fact and date of execution of any instrument under the provisions of this Article, the amount and number of the Bonds held by any Person executing such instrument, and the date of his or her holding the same may be proved as provided by Section 1301 hereof.

Section 1108. Copies of Supplemental Ordinances to Rating Agencies. Copies of any supplemental or amendatory ordinance shall be sent by the Enterprise to the Rating Agencies then maintaining a rating on the Bonds on or prior to the effective date thereof.

ARTICLE XII

DEFEASANCE

Section 1201. Defeasance. If, when the Bonds shall be paid in accordance with their terms (or payment of the Bonds has been provided for in the manner set forth in the following paragraph), then this Ordinance and all rights granted hereunder shall thereupon cease, terminate and become void and be discharged and satisfied.

Payment of any Outstanding Bond shall prior to the maturity or Redemption Date thereof be deemed to have been provided for within the meaning and with the effect expressed in this Section if (a) in case said Bond is to be redeemed on any date prior to its maturity, the Enterprise shall have given to the Paying Agent in form satisfactory to it irrevocable instructions to give on a date in accordance with the provisions of Section 404 hereof, notice of redemption of such Bond on said Redemption Date, such notice to be given in accordance with the provisions of Section 404 hereof, (b) there shall have been deposited with the Paying Agent or a Trust Bank either moneys in an amount which shall be sufficient, and/or Federal Securities which shall not contain provisions permitting the redemption thereof at the option of the issuer, the principal of and the interest on which when due, and without any reinvestment thereof, will provide moneys which, together with the moneys, if any, deposited with or held by the Paying Agent or Trust Bank at the same time, shall be sufficient to pay when due the Debt Service Requirements due and to become due on said Bond on and prior to the Redemption Date or maturity date thereof, as the case may be, and (c) in the event said Bond is not by its terms subject to redemption within the next sixty days, the Enterprise shall have given the Paying Agent in form satisfactory to it irrevocable instructions to give, as soon as practicable in the same manner as the notice of redemption is given pursuant to Section 404 hereof, a notice to the Owner of such Bond that the deposit required by (b) above has been made with the Paying Agent or Trust Bank and that payment of said Bond has been provided for in accordance with this Section and stating such maturity or Redemption Date upon which moneys are to be available for the payment of the Debt Service Requirements of said Bond. Neither such securities nor moneys deposited with the Paying Agent or Trust Bank pursuant to this Section or principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Debt Service Requirements of said Bond; provided any cash received from such principal or interest payments on such Federal Securities deposited with the Paying Agent or other Trust Bank, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities of the type described in (b) of this paragraph maturing at times and in amounts sufficient to pay when due the Debt Service Requirements to become due on said Bond on or prior to such Redemption Date or maturity date thereof, as the case may be. At such time as payment of a Bond has been provided for as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of this Ordinance, except for the purpose of any payment from such moneys or securities deposited with the Paying Agent or other Trust Bank.

In the case of the 2010B Bonds, the Enterprise is obligated to contribute additional securities or monies to the escrow or trust if necessary to provide sufficient amounts to satisfy the payment obligations on the 2010B Bonds.

The release of the obligations of the Enterprise under this Section shall be without prejudice to the right of the Paying Agent to be paid reasonable compensation for all services rendered by it hereunder and all its reasonable expenses, charges and other disbursements incurred on or about the administration of and performance of its powers and duties hereunder.

Upon compliance with the foregoing provisions of this Section with respect to all Bonds then Outstanding, this Ordinance may be discharged in accordance with the provisions of this Section but the liability of the Enterprise in respect of the Bonds shall continue; provided that the Owners thereof shall thereafter be entitled to payment only out of the moneys or Federal Securities deposited with the Paying Agent or other Trust Bank as provided in this Section.

ARTICLE XIII

MISCELLANEOUS

Section 1301. Evidence of Bond Owners. Any request, consent or other instrument which this Ordinance may require or may permit to be signed and to be executed by the Owners of any Bonds may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such Owner in person or by his or her attorney appointed in writing. Section 1305. Repealer. All ordinances, resolutions, bylaws, orders, and other instruments, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance, resolution, bylaw, order, or other instrument, or part thereof, heretofore repealed.

Section 1306. Severability. If any section, subsection, paragraph, clause or other provision of this Ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability thereof shall not affect any of the remaining sections, subsections, paragraphs, clauses or provisions of this Ordinance.

Section 1310. Limitation of Actions. Pursuant to § 11-57-212 of the Supplemental Act, no legal or equitable action brought with respect to any legislative acts or proceedings of the Enterprise in connection with the authorization or issuance of the Bonds, including but not limited to the adoption of this Ordinance, shall be commenced more than thirty days after the authorization of the Bonds.
