**78%** of participants indicated they are satisfied or very satisfied with recreation facilities.

**77%** of participants indicated they felt safe or very safe in recreation facilities.

**PARTICIPANT FEEDBACK**

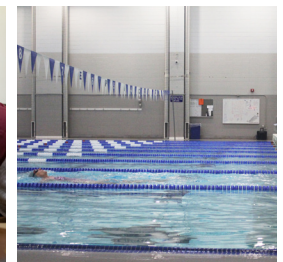

“I am so thankful the pool is open. **It is a real lifesaver to be able to swim and diffuse some stress.** Feels like the staff is doing a good job and the reservation system is easy to use.”

“Reservation system for lap swimming during the covid 19 pandemic was **a welcome and well conceived program.**”

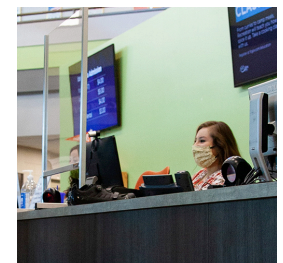

“**I love the zoom classes.** I can take several that I wouldn’t take if I had to travel to do it.”

“Our **6 year old loved going to Camp Fun Quest** this summer. She participated for the last four weeks of the summer including the additional week that was added. She enjoyed the activities, field trips and socializing.”

“The coaches were great very knowledgeable and fun. **My daughter learned new skills, she was excited to show us.**”

“My child was so excited to learn about the farm animals, take a tractor ride, and ride the pony. We **really appreciated having this program right now when life is so different during covid.** Thank you!”
