**PSD Middle School** (7 schools, 1,700 students)

Blevins      Boltz      Kinard      Lincoln      Preston      Webber

**MIDDLE-SCHOOL PROGRAM** focuses on one grade level, normally sixth (seventh at Kinard). **LESHER** receives ongoing bicycle programming every year.

HIGH SCHOOL

**EVERY YEAR**

**PSD High School** (4 schools, ~500 students)

Fort Collins      Fossil Ridge      Poudre      Rocky Mountain

**HIGH-SCHOOL PROGRAM** focuses on "Bike PE" curriculum during Adventure PE classes and incorporates "Bicycle Friendly Driver" certification.

**TOTAL: 5,500**

**TOTAL: 5,700**

**TOTAL: 5,600**

**NOTE:** The goal is to visit every elementary school once every three years with in-depth bike-ped safety program. This gives K-5 students one to two years' exposure to program before they go to middle school. The middle-school program focuses on one grade level only (normally sixth), giving

virtually all public-school students three years of program exposure before high school. Individual students may participate in additional bike-ped activities, such as National Bike & Roll to School Day, National Walk & Roll to School Day, Bike Week, school biking/walking clubs and camps, bike-ped

assemblies, Family Bike Rodeos, biking/walking field trips, and other SRTS-related activities in the community. The high-school program includes the standard "Bike PE" curriculum plus "Bicycle Friendly Driver" certification.

Charter schools, private schools, and youth organizations also receive SRTS programming by request.
