NOTICE TO RESIDENTS IN THE TIMBERCREEK AREA

PROJECT

The City of Fort Collins Streets Department is scheduled to perform asphalt crack sealing in your area (see map on back). This phase is part of the 2011 Street Overlay and Sealcoat Project. You **will** have access to your driveway and street during this operation; however, parking will not be permitted on the street.

SCHEDULE (SUBJECT TO CHANGE)

Work is tentatively scheduled to begin at 7:00 a.m., the week of January 24, 2011 (weather permitting)

PARKING

The towing procedure will begin at 7:00 a.m. for all cars that remain parked on the street. Please read the "No Parking" signs carefully to identify the exact date and times when your street/block will be affected by the crack sealing operation. The placement of these signs shall take place at least 24 hours prior to the commencement of work.

CONTACT INFORMATION

If you have specific concerns about resident or business access, please contact Brenda Van Dyke at the City of Fort Collins Streets Department, at 970-222-1901 or bvandyke@fcgov.com.

Project questions may be directed to the City of Fort Collins Streets Department:

Doug Groves, Construction Inspector, 970-222-0596 or degroves@fcgov.com

Kathleen Maddux, Senior Construction Inspector, 970-222-8781 or kmaddux@fcgov.com.

Future updates are available at www.fcgov.com/streets

Please note that in the event of unfavorable weather conditions or construction issues construction may be cancelled and may resume the following day.
