

How to View Your Customized Water Budget

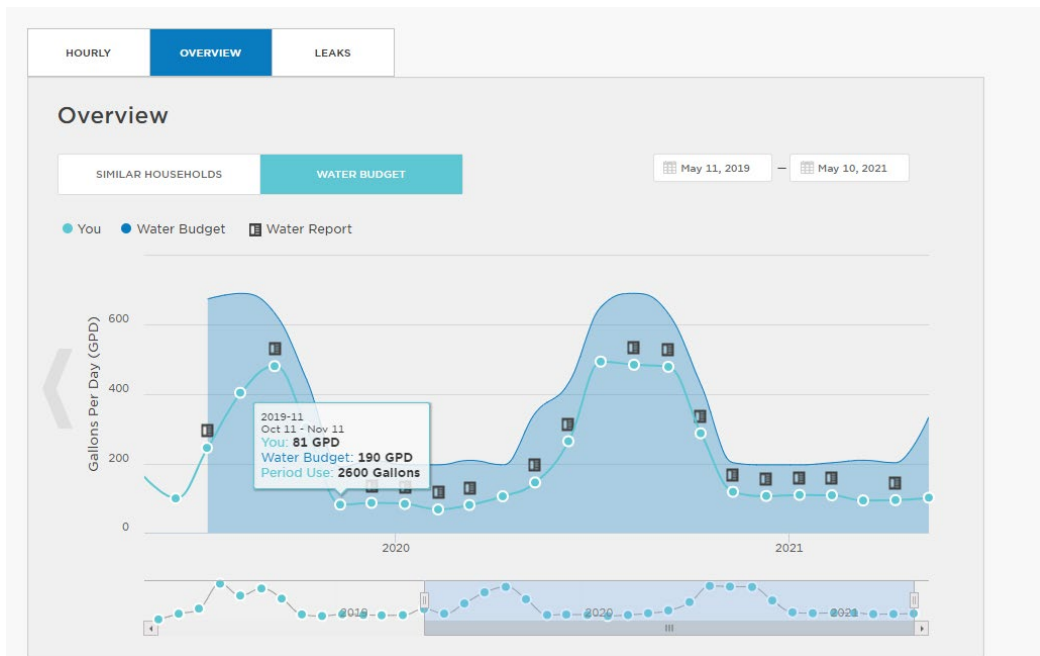

1. Log into your MyWater online account at fcgov.com/mywater.

2. Identify where your most recent budget information is located (top left corner of the dashboard.)
3. Click on the blue button in the 'My Daily Use' section, titled 'View use.'

4. At the top of the page, click the 'Overview' tab above the graph.

5. Then, select the 'Water Budget' tab.

6. You can now view your budget going back in time.
