# YOU'RE INVITED TO A NEIGHBORHOOD OPEN HOUSE

Early next year, STORMWATER IMPROVEMENTS will be installed in Cowan and Myrtle streets in addition to a NEW 8-INCH WATERLINE. Included in the project is construction of an OUTFALL STRUCTURE at the Poudre River near the Springer Natural Area. Preliminary access work near the natural area will begin this fall. Pipeline construction in the streets will begin in January and continue through spring 2018.

Stop by between **4:30–6 p.m. on Tuesday, Oct. 24**, to learn more about the project at this informal meeting.
