

2011 Residential Environmental Program Series.

Creating A Collaborative Community.

Wednesday, Feb. 16, 7–9 p.m.

Drake Centre, 802 W. Drake Rd.

(Pre-registration is not necessary for this free program.)

Take a ride on the social side of sustainability and discover simple solutions to create a healthy community.

This interactive presentation provides ideas to collaboratively overcome obstacles, choose healthier foods and develop methods to track and drive change.

Bring suggestions about what indicators should track success and challenges in Fort Collins.

Presenters

- *Dr. Rosemarie Russo*, City of Fort Collins sustainability coordinator, will outline community resources and investigate impacts of consumer choices.
- *Valerie Kaminski*, Northern Colorado Green Menu, will highlight “factory farm” food vs. more sustainable and healthier food choices at local eateries and schools.
- *David Kemp*, City of Fort Collins, will discuss alternative transportation choices and available financial incentives for individuals and companies that embrace bicycle riding.
- *Steve Ponce-Pore*, Bank of Colorado, will share how residents can finance home remodels and energy efficient projects.
- *George Wallace*, CSU, will highlight a pilot project to develop a City of Friendship with San Cristobal (Mexico) that centers on conservation leadership and cultural connections.
