

UTILITIES INSIGHTS

Small Changes, Big Differences

February 2020 | Issue 2

Monthly newsletter for Fort Collins Utilities customers with tips to save energy and water to lower your utility bills.

From small to big changes, there are many ways to save. Show your home some energy love.

Small Change: Using energy efficient lights in your home can save you money and energy. Switching your five most used lights to LEDs could save \$45/year. Plus, LEDs last up to 25 times longer.

			
INCANDESCENT	HALOGEN	CFL	LED
N/A	25% MORE EFFICIENT	25% MORE EFFICIENT	75-80% MORE EFFICIENT

Big Change: Sign up for a free home energy assessment with the Larimer County Conservation Corps and receive LEDs and other energy saving products. Great for renters, too! Learn more: larimer.org/ewd/energy

Bigger Change: Colorado's Affordable Residential Energy Program (CARE) offers free energy audits and efficiency upgrades to homeowners and renters that meet income qualifications. Upgrades can include:

- insulation
- LED lighting
- high-efficiency water measures
- heating/cooling
- refrigerator/freezer replacement

Colorado Low-Income Energy Assistance Program (LEAP)

If your income is up to 60% of the state median income level, you may qualify for heating assistance this winter through LEAP. *(Please note: Utilities' Income-Qualified Assistance Program eligibility is based on LEAP approval.)*

The amount of the assistance varies depending on a variety of factors, including the primary heating fuel costs and income. The program does not provide financial assistance for temporary or portable heating.

LEAP accepts applications ONLY between November and April. Apply today!
