

Hey Portal Commands

General Information:

Hey Portal, when was Frank Sinatra born?

Hey Portal, who is the prime minister of Pakistan?

But it couldn't tell me when the Broncos last won the Superbowl, when we'll have the next full moon, or directions to Denver.

Sometimes it would ignore me, or sometimes it would say "sorry, I'm still learning. I don't know the answer to that".

Device Controls:

Hey Portal, increase brightness.

Hey Portal, increase volume.

Hey Portal, go to sleep.

Set Alarms

Hey Portal, wake me up at 8:00 a.m.

Take a Picture:

Hey Portal, take a picture. It gives you a few seconds warning, then snaps a photo.

Time and Date:

Hey Portal, what time is it in Lima, Peru?

Weather:

Hey Portal, what will the weather be like today?

Hey Portal, what will the weather be like this week in Alexandria, VA?

Music:

Hey Portal, play something by the Beatles.
