

Offero Text Messaging

Opting In

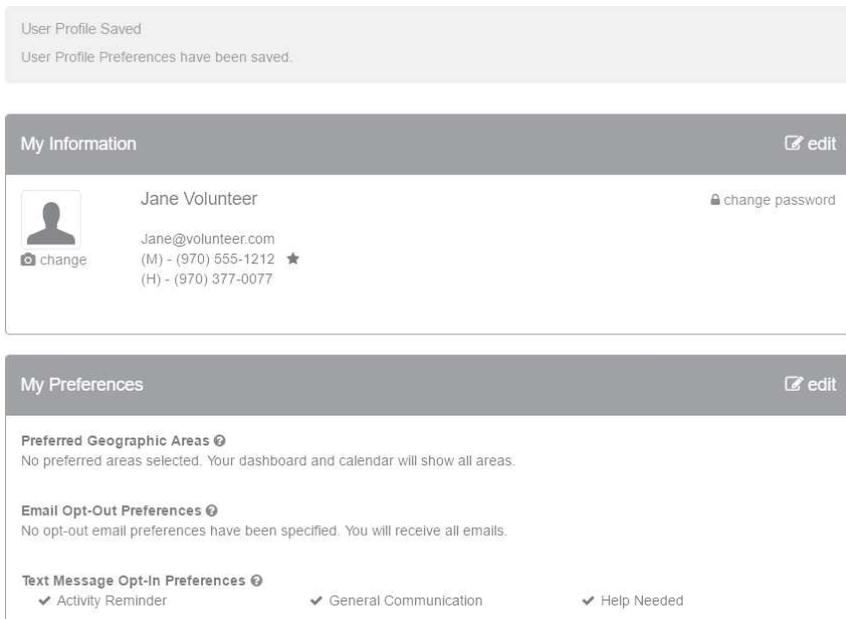

Text Messaging in Offero is an Opt In service. Users will need to go to their user profile to opt-in.

1. Users must have a mobile telephone number. If they go to enable text-messages they will see the following:

The screenshot shows the 'Text Message Opt-In Preferences' page. At the top, it says 'Check the boxes for text messages you would like to receive.' Below this is a warning box: 'Warning! Your user profile does not contain a mobile phone number. Text messages will not be sent until your user profile is updated.' Underneath, there are two columns of checkboxes for 'Global Text Message Opt-In Preferences'. The first column includes: Activity Reminder, General Communication, Help Needed, Shift Reminder, Site Visit Reminder, Volunteer Activity Reminder, and Volunteer Communication. The second column includes: Activity Reminder, General Communication, Help Needed, Shift Reminder, Site Visit Reminder, Volunteer Activity Reminder, and Volunteer Communication.

2. On the user profile, you will see text messages that are enabled:

The screenshot shows a user profile page. At the top, there are two notification messages: 'User Profile Saved' and 'User Profile Preferences have been saved.' Below these are two main sections: 'My Information' and 'My Preferences'. The 'My Information' section shows the user's name 'Jane Volunteer', email 'Jane@volunteer.com', and two phone numbers: '(M) - (970) 555-1212' and '(H) - (970) 377-0077'. There are 'change' and 'change password' links. The 'My Preferences' section shows 'Preferred Geographic Areas' (No preferred areas selected), 'Email Opt-Out Preferences' (No opt-out email preferences have been specified), and 'Text Message Opt-In Preferences' (Activity Reminder, General Communication, and Help Needed are all checked).
