THE ROAD TO
Zero
waste
FORT COLLINS

Join Us for Community Conversations

Please mark your calendars and join us for what will be two highly informative and educational sessions. We want your ideas! After review of all input received, consultants Zero Waste Associates will draft a Waste Reduction and Recycling Plan for public review and comment, outlining strategies to get on the "Road to Zero Waste."

Both meetings will have light refreshments and the opportunity to comment on anything regarding the Zero Waste Plan.

Community Conversation 3: Focused on Composting

Tuesday, July 16, 2013
4:30 to 6:30 p.m.
Presentations run from 5-6 p.m.
Community Room
215 N. Mason St.
Please use north doors.

Community Conversation 4: Focused on Waste-to-Clean-Energy
