\*Fees cover costs of all departments involved in reviewing or processing the project (including Planning, Engineering, Utilities, Forestry/Parks, administrative support, mailings, sign postings, and other functions).

\*\*Does not include Poudre Fire Authority fees, which are additional and calculated at the time of submittal. PFA permit requirements and fee info available here: <https://www.poudre-fire.org/online-services/apply-for-permits>

## LIMITED-SCOPE PROJECT FEE CRITERIA

Requests for a limited-scope (small project) fee must be approved by the Community Development & Neighborhood Services Director (or designee) prior to project submittal. Even if the general criteria are met, the Director reserves the right to reject reduced fee requests if the costs of project review are anticipated to exceed the Limited-Scope Fee.

Fee Categories	Fee	Notes
Development Plan (Limited Scope)	\$6,925	Includes PDP, FDP, BDR, and MJA project types.
Minor Amendment (Limited Scope)	\$500	

### Limited-Scope Development Plan Criteria

The following types of PDP, FDP, BDR and MJA projects are eligible for the Limited-Scope Development Plan Fee:

1. Residential
  - a. Structural additions or alterations for single family, two-family, and small multi-family (up to 4 units) dwellings. Includes addition of up to 4 new units.
  - b. New residential development of 4 or fewer dwelling units (single-family detached, single-family attached, two-family, or multi-family).
  - c. Group homes and shelters for victims of domestic violence.
  - d. Conversion of an existing residential building to fraternity, sorority, or other group living quarters.
  - e. Conversion of existing residential units to short-term rentals.
2. Commercial
  - a. Structural additions, alterations or adaptive reuse of existing commercial buildings that will not substantially alter building height or square footage, site infrastructure, drainage patterns, and/or existing or approved site features.
  - b. Change of use if the proposed conversion will not substantially alter building height or square footage, site infrastructure, drainage patterns, and/or existing or approved site features.
  - c. New commercial development where public infrastructure already exists (e.g., a pad site within a larger approved development plan). Public infrastructure includes sidewalks, roadways, and utility services.
3. Other
  - a. Rooftop or building-mounted wireless telecommunications equipment. Does not include stand-alone wireless telecommunications facilities (e.g., cell towers).
  - b. Minor public facilities.
  - c. Seasonal overflow shelters.
  - d. Surface parking lots as a principal use.
  - e. Agricultural activities, including urban agriculture.
  - f. Small-scale and medium-scale solar energy systems, as defined in the Land Use Code.
  - g. Open air farmer's markets, outdoor vendors and food truck rallies.
  - h. Land uses that do not involve the construction of occupied buildings.

### Limited-Scope Minor Amendment Criteria

The following types of Minor Amendments are eligible for the Limited-Scope Minor Amendment Fee:

- a. 2<sup>nd</sup> Kitchen Minor Amendments
- b. Stationary Vendors
- c. Lighting Retrofits
- d. Temporary Sales Trailers
- e. Changes of use that do not result in any exterior/site changes (or "no required site work")
- f. Landscape conversions, except those located along an arterial and converting a large portion of development's original approved landscaping.
- g. Other minor amendments with a similarly limited scope of work.

## BUILDING PERMIT FEES – effective January 1, 2022

There are 3 calculation methods for permit fees:

- **Method 1:** Flat fee Permits
- **Method 2:** Valuation based permits for residential and commercial remodels/alterations
- **Method 3:** New Buildings & Additions

In all cases, the construction valuation (cost of materials and labor) must still be listed by the customer so sales/use tax can be assessed and included into the total permit fee.

### METHOD 1: FLAT FEES

<i>Flat Fees</i>	
<b>Service Name</b>	<b>Fee</b>
Air Conditioner Replacement	\$65
Wireless Telecommunication Antennas	\$65
